David,

As discussed, attached is a proposed unopposed motion which synchs and structures VW Aktiengesellschaft's time to respond to Plaintiffs' motion for jurisdictional discovery to align with VW AG's reply on the MTD, and to provide additional time for Plaintiffs' reply on the jurisdictional motion. This agreement is consistent with the ones for BMW AG, Porsche AG, and Audi AG, all of which were also granted by Judge Ross.

Please let us know if we may file this motion, seeking relief on Plaintiffs' behalf as well, as unopposed.

Thank you,

Michael
